

Biologique Recherche is a French biological skincare line that takes its own unique clinical approach to skincare. Founded in the late 1970s by a family of artisanal skincare experts, Biologique Recherche came about through the passion of biologist and physiotherapist duo Yvan and Josette Allouche. Their consummate savoir-faire and visionary approach underpin the brand's reputation for effectiveness and outstanding products. They devised an exclusive, customized methodology of cosmetic treatments that is adapted to every individual and based on products with a high concentration of active ingredients with transforming results.

### **Biologique Recherche Facial**

The ultimate skin care treatment tailored just for you. This individually customized facial service is a precise and rigorous ritual that uses cold therapy to increase blood flow and tighten and brighten the skin. The pure, concentrated, almost raw products, complex formulas and rigorous original treatment reconditions the epidermis to activate its own regenerative properties.

- **50 min/\$249:** A specially trained Biologique Recherche expert will begin the treatment by assessing your skin's needs. The epidermis is prepared with a thorough cleansing and Shiatsu-like massage. Then, the beloved product Lotion P50 is applied for customized and proper exfoliation. To finish, a custom picked Masque follows to treat, balance, and soothe the skin.
- **90 min/\$349:** The 90-minute BR Facial continues and is customized further by layering or mixing up to 6 Quintessential Serums to treat specific skin imbalances such as dehydration, fine lines, and elasticity. Then, a custom Eye Contour is used before finally pressing the Finishing Serum into the skin to leave the skin cleansed, refined, and nourished. Enjoy a complimentary Joovv Red Light Therapy session after your facial to enhance cellular function, support skin health, and increase blood flow.
