HYDRAFACIAL

60 Min/\$225

A non-invasive treatment that deeply cleanses, exfoliates, resurfaces dead skin cells, and rejuvenates the skin by pushing active ingredients such as antioxidants, peptides, and hyaluronic acid into the skin. The process uses a spiral suction tip to make it painlessly simple for instant results.

- o **LUX HYDRAFACIAL/\$295** Upgrade your service with a dermaplane and 2 specially picked boosters to target your skin's specific needs for the ultimate treatment.

MICRODERMABRASION FACIAL

45 Min/\$125

A non-invasive treatment that uses fine crystals to exfoliate the superficial layer of the skin. A microdermabrasion uses a vacuum like suction along with crystals to provide a deep exfoliation improving the brightness and overall texture of the skin. Microdermabrasion is also beneficial to help with light hyperpigmentation.

CRYOFACIAL

\$249/\$1120 Series of 5

CryoFacials are a natural, non-invasive way to look younger and more radiant. This treatment uses cold temperatures to increase blood flow and oxygen, which boosts collagen production, reduces the appearance of wrinkles and pores, and improves skin elasticity.

LASER LIGHT SKIN TIGHTENING

Full Face \$295

A skin treatment designed to tighten and firm the skin while improving overall texture. The collagen blast facial uses a laser designed to direct a beam of light into the skin stimulating mass amounts of collagen to reduce the signs of aging.

PERFECT PEEL

\$290

Rejuvenate your skin with a chemical peel treatment designed to improve skin appearance through deep exfoliation. The Perfect Peel helps slough off dead skin cells, improve acne, scarring, fine lines, hyperpigmentation, texture and hydration. The results leave your skin freshly plumped and hydrated, revealing a brighter complexion.

DERMAPLANING

Full Face \$75

An exfoliating treatment designed to remove the top layer of dull dead skin and vellus (baby) hair revealing a smoother brighter complexion. *Add-on to your service for \$50.*

LASH EXTENSIONS

Full Set \$175/Fills \$50 - \$75

A brighter more awake eye is achieved through our Bella Lash extensions. A semi-permanent lash is applied to your natural eyelash to create a lengthening or volumized affect to give you the perfect walk-out-the-door look without having to use mascara.

LASH CURL

\$60

Semi-Permanent Lash Curls are a beauty procedure that creates a curl in your natural eyelashes eliminating the lash curler from your daily routine. Lash Curl will keep a lasting curl throughout the life of the eyelash.
